Total	176	39	137		31	32	199		
Average				88					

¹ Starting year of the courses from which students are expected to graduate in 2005 according to the programme duration.

² These were students who graduated this year but were part of the intake of a previous cohort. For whatever reason they failed to graduate with their intake cohort, continued with the course and graduated successfully this year.
