**Subject: Ports Designations for IHR Core Capacity Building**

Dear Dr. Gezairy,

In reference to the above subject and to fulfill the core capacity building criteria required for high quality implementation programs, the following ports were assigned in Bahrain to be used for building the core capacities before 2012 for IHR implementation.

1. Khalifa Bin Salman Port.
2. Bahrain International Airport.

Best regards.

**Dr. Fatima Mohammed Al-Blushi**  
Minister of Social Development  
A.g. Minister of Health
