

In line with the decisions issued by the Government Executive Committee, and the recommendations made by the National Medical Taskforce for Combatting the Coronavirus (COVID-19)

The Ministry of Health announced the resumption of several additional services provided by salons across the Kingdom in accordance to the approved health regulations.

The following services across salons will be resumed:

- ✓ Facial treatments
- ✓ Blow-drying services and hair treatments that require blow-drying
- ✓ Threading services
- ✓ Henna art
- ✓ Makeup application services
- ✓ Eyelashes extensions
- ✓ Tanning services and tanning beds
- ✓ Hair extensions, including returnable hair extensions

Starting from 13 December 2020
