

Starting from Friday 25 December

The Ministry of Health advises those wishing to receive the COVID-19 vaccination, to head directly to their designated residential health centers

Daily from 8 AM to 6 PM, without the need to register online to book an appointment in advance.

The vaccination is available free of charge to all citizens and residents, 18 years and above.

Note

Those who have previously registered online for an appointment will be contacted with their appointment details for vaccination on 24 December 2020.
