

Additional measures for travellers arriving into the Kingdom of Bahrain, effective from Monday, 22 February 2021

The National Medical Taskforce for Combating the Coronavirus (COVID-19): An additional COVID-19 PCR test to be conducted on the fifth day after arrival, and cost of the COVID-19 PCR test to be reduced to BHD 36

Measures to be implemented for all travellers arriving into the Kingdom of Bahrain:

-  **1** Mandatory COVID-19 PCR tests on arrival
-  **2** Download the 'BeAware Bahrain' app, and self-isolate until a test result is issued following the on-arrival testing
-  **3** Additional COVID-19 PCR test to be conducted on the fifth day after arrival
-  **4** Travellers spending more than ten days in the Kingdom are obliged to take a third mandatory COVID-19 PCR test on the 10th day of stay.

Travellers who test positive will be contacted by the Ministry of Health
