

Precautionary measures for holding events, occasions, and conferences to contain and prevent the spread of Coronavirus (COVID-19)

Precautionary measures applied in restaurants and cafes must be adhered to, in addition to the following requirements:

Attendance shall be restricted to those who received the (COVID-19) vaccine or have recovered from the virus.

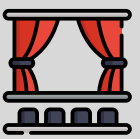

Children under the age of eighteen provided that children under the age of twelve are accompanied by a vaccinated or recovered adult.

Evidence must be presented via the (BeAware Bahrain) application, any other approved application, or by presenting official documents providing proof of vaccination or recovery.

The number of guests should not exceed 50% of the indoor capacity.

Live performances are allowed provided that social distancing is observed.

Buffets and self-service are prohibited.

All attendees must wear masks during entry and exit to and from the facility, and those who do not comply with this condition must not be allowed to enter.

All employees must wear masks at all times.

Precautionary measures for holding events, occasions, and conferences to contain and prevent the spread of Coronavirus (COVID-19)

Hand sanitisers should be distributed and placed in visible places.

The temperatures of all the facility's workers and attendees must be measured before entering the facility using an infrared thermometer. People with temperatures of 37.5 C or above, or those exhibiting COVID-19 related symptoms, should be prohibited from entering, asked to leave immediately and call 444.
