

Starting from the first day of the Eid al-Fitr holiday

Some indoor services are limited to vaccinated or recovered individuals as follows:

- ✓ Those who have received a COVID-19 **vaccination** and those who have **recovered** from the virus should present:
 - A green shield visible on the “BeAware Bahrain” application for citizens and residents of Bahrain.
 - The green logo displayed within the official COVID-19 applications for GCC nationals and residents.
 - Vaccinated visitors should present the acceptance card of certified vaccination, provided upon arrival to the Kingdom.
- ✓ Individuals below the age of 12 will be able to enjoy indoor services, provided that they are accompanied by a **vaccinated** or **recovered** adult.
- ✓ Entry for those aged 12 - 17 is permitted in all cases.

The following services will be limited to vaccinated and recovered individuals:

All indoor dining services at restaurants and cafes

Indoor gyms

Indoor swimming pools

Indoor cinemas

Fan attendance at indoor and outdoor sporting events

Events, Exhibitions and Conferences

Indoor and outdoor entertainment and game centers

Spas

Non-vaccinated and non-recovered individuals are not permitted to enter or make use of the indoor services above

Precautionary measures will be announced for each sector

All individuals will be able to access the following services with social distancing and precautionary measures:

Outdoor dining services for restaurants and cafes

Outdoor gyms and sports

Outdoor pools
