

Following consideration of a report submitted by the National Medical Taskforce for Combating the Coronavirus (COVID-19), the Government Executive Committee approved measures aimed at mitigating the spread of COVID-19 by closing non-essential sectors and activities

From Thursday 27 May 2021, at 23:59, to Thursday 10 June 2021, at 23:59, the below decisions will be implemented, and are subject to review, as follows:

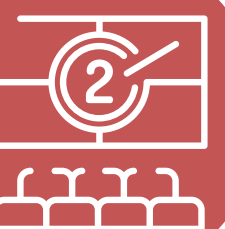

Closure of shopping malls and commercial shops

Restrictions of restaurants and cafes to delivery and takeaway only

Closure of gyms and sport halls, swimming pools, beaches, and recreational centres

Closure of cinema halls

Ban on events and conferences

Ban on attendance to sporting events

Closure of salons, barber shops
and beauty parlours

Barring social gathering at homes

Work-from-home policy to cover 70%
of Government employees

Suspending in-person learning at schools and higher
educational institutions, kindergartens, rehabilitation
centers, nurseries and training centers, with the
exception of attendance for international examinations

Current travel procedure to the Kingdom of Bahrain
to remain in effect

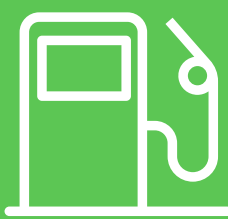

The current activities remain in effect:

Hypermarkets, supermarkets, and grocery stores

All bakeries

Fuel and gas filling stations

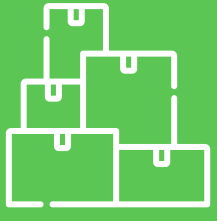

Private health clinics, with the exception of some health services for which a circular is issued by the National Authority for Regulating Health Professions and Services

Banks and currency exchange services

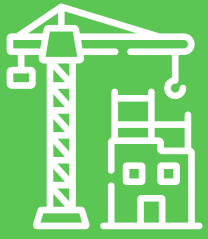

Administrative offices of institutions and companies, whose activities are not directly related to customers

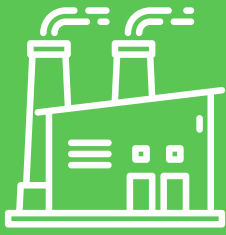

Import and Export distributors

Automobile repair shops

Business operating in the process, construction
and maintenance sector

Factories

Enterprises operating
in the telecommunication sector

Pharmacies
