

**National Medical Taskforce:  
To maintain the downward trend in the number  
of daily cases, precautionary measures are  
extended to 25 June 2021, as follows:**

**Entry to commercial premises**

- With valid proof of vaccination (14 days have elapsed since a second vaccination dose) or recovery confirmed either through the “BeAware Bahrain” app or an immunization booklet.
- Limited to individuals aged 18 years and above.

**In person attendance of clients at  
government service centers and offices**

- With valid proof of vaccination (14 days have elapsed since a second vaccination dose) or recovery confirmed either through the “BeAware Bahrain” app or an immunization booklet.
- Limited to individuals aged 18 years and above.
