

## The Civil Aviation Affairs:

The Kingdom of Bahrain's travel entry procedures at Bahrain International Airport has been updated to include an acceptance of vaccination certificates issued by countries whose citizens are eligible for a visa and an additional PCR test to be conducted on the fifth day of stay

**Starting from Sunday, 29 August 2021**

## Non-Red List countries:

### Vaccinated passengers

Applies to:

GCC countries

Countries with which Bahrain has signed a mutual vaccination recognition agreement

Conduct a PCR test upon arrival

Conduct a PCR test on the **fifth day** after arrival

Conduct a PCR test on the tenth day after arrival

Neither presenting a PCR test before boarding the plane nor quarantining upon arrival is required

All vaccinated passengers aged 6 years and above who have an approved vaccination certificate from countries that are eligible to obtain an on-arrival visa

Present an approved PCR certificate before boarding the plane, administered within 72 hours of departure

Conduct a PCR test upon arrival

Conduct a PCR test on the fifth day after arrival

Conduct a PCR test on the tenth day after arrival

No need to quarantine

Travellers are encouraged to review their eligibility for

on-arrival visas by visiting the following link: [www.evisa.gov.bh](http://www.evisa.gov.bh)

Non-vaccinated passengers and passengers without vaccine certificates recognized by the Government of Bahrain

Present an approved PCR certificate with a QR code before boarding the plane, administered within 72 hours of departure

Conduct a PCR test upon arrival

Quarantine for a period of ten days at your residence or at a quarantine centre licensed by the National Health Regulatory Authority (NHRA)
