

Starting from 15 October 2021

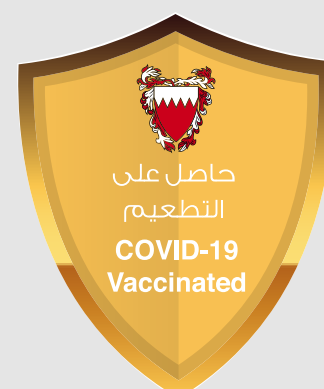

The National Medical Taskforce: an update to testing and quarantine procedures for traced contacts of active COVID-19 cases

**Green Shield holders who
are contacts of active
COVID-19 cases**

**Not required to
quarantine**

**Non-Green Shield holders
who are contacts of active
COVID-19 cases**

**Mandatory quarantine
for seven days**

**All contacts of active COVID-19 cases
should conduct mandatory PCR tests
on the first and seventh day after contact
or if experiencing any COVID-19 symptoms**
